Program: BBA.LLB	Year/Part: I/I	Full Marks: 60
<b>Subject: Communicative English (BHMN101)</b>		Pass Marks: 30

- ✓ Candidates are required to give their answers in their own words as far as practicable.
- ✓ The figures in the margin indicate **Full Marks**.
- ✓ Assume suitable data if necessary.

**GROUP A** (Multiple-Choice Questions are provided on separate sheet)

[10×1=10]

**GROUP B** (Descriptive Answer Questions - Attempt ALL Questions)

[8×4=32]

1. Read the following passage and answer the following question. [4×1=4]

All the world is divided into three parts - finger feeders, fork feeders and chopstick feeders. The topic of technology of eating is one that is rife with dispute over the utensils used to eat food. It is also a subject loaded with chauvinism. Supporters of one implement may often regards others as uncivilized or even.

According to dr. Lynn white fork feeders are most common in Europe and North America, Chopstick feeders in most Eastern Asia and finger feeders in much of the Africa, the Middle East, Indonesia and the Indian sub-continent. Academics agrees fork users have historically been in minority. As little as three centuries ago, most Western European still used fingers regarding the fork as decadent or worse. French historians Fernand Braudel tells one of the medieval preachers in Germany who condemned the fork as a diabolical luxury: God would not have given us fingers if he had wished us use such an instrument.

Fork and chopsticks became popular because they made it easier to handle hot food. Before this; people generally scooped up hot meals on flat bread. According to Dr. K.C. Chang, the chairperson of Harvard University's anthropology department, Chinese Cuisine was characterized by small portions which didn't require cutting by a knife and fork eaten from bowls. "There was a need for morsels to be carried from bowls to the mouth and chopsticks met the need" he said.

- i. What three different types of feeders the author has introduced in the passage?
  - ii. How do forks and chopsticks become popular among people?
  - iii. What does the Havard Scholar K.C. Chang claim?
  - iv. Why does the French historian Braudel condemn the fork?
